Hi, Brandi – Thanks for the update. I'm new to this office of EPA, so I don't know for sure. However, I'm pretty sure we can call you and Dat separately and just conference you both in. Please let us know at which number we can reach you.

If there's any problem with that approach, I'll reserve a line that you can call into and send the information via email prior to the meeting.

Thanks,
Kristine

Hi Kristine-

This meeting is on Dat's schedule. David is on vacation today. According to his schedule, he may have a conflict with this meeting. That should not be an issue for us moving forward, though, as I will keep him up to date. Is there a good number to call in to you, or will you be calling us? I will be on a separate line from Dat and the others, as I will be in the field that day and will have to call in from my cell phone.

Looking forward to talking with you-
Brandi

Hello, All –

In preparation for our meeting on Thursday, I have attached the Armstrong Egg Farms inspection report. I have not yet heard back from Dat or David - please let me know if you will be able to attend. (If I have the incorrect email address for David (see above), please let me know, and I'll resend it.

Thanks,
Kristine
